

## How to Use Google Play Store in Zidoo Media Players?

Users who have purchased Zidoo RTD1619DR series products (including Z9X, Z10pro and Z1000pro) could get Google Play Store and use it by 2 steps below:

### 1. Upgrade firmware with Google Play Store

Users who want to use Google Play Store are needed to upgrade to firmware version with "G" by OTA upgrading method.

Model: Z9X

Firmware: v6.0.35\_G

Download: [http://apidl.zidoo.tv/Z9X/v6.0.35/Z9X\\_P\\_v6.0.35\\_G\\_202009031800\\_ota-package.zip](http://apidl.zidoo.tv/Z9X/v6.0.35/Z9X_P_v6.0.35_G_202009031800_ota-package.zip)

MD5: BF7C2ACDFE666F86B23F08855CF37932

Model: Z10 Pro

Firmware: v6.0.35\_G

Download:

[http://apidl.zidoo.tv/Z10\\_PRO/v6.0.35/Z10-Pro\\_P\\_v6.0.35\\_G\\_202009031852\\_ota-package.zip](http://apidl.zidoo.tv/Z10_PRO/v6.0.35/Z10-Pro_P_v6.0.35_G_202009031852_ota-package.zip)

MD5: 9791FA5FFBB6FA657DABD376EF792945

Model: Z1000 Pro

Firmware: v6.0.35\_G

Download:

[http://apidl.zidoo.tv/Z1000\\_PRO/v6.0.35/Z1000-Pro\\_P\\_v6.0.35\\_202009031927\\_ota-package.zip](http://apidl.zidoo.tv/Z1000_PRO/v6.0.35/Z1000-Pro_P_v6.0.35_202009031927_ota-package.zip)

MD5: F9ED62F5F5BDEE6EAC2C060C6C10C552

**Warm Tips:** firmware version with “G” and without “G” have no difference except Google Play Store;

If you have upgraded to firmware with “G” already, make sure to upgrade “G” firmware again next time. Zidoo will release “G” firmware in regular correspondingly.

## 2. Activate Google Play Store

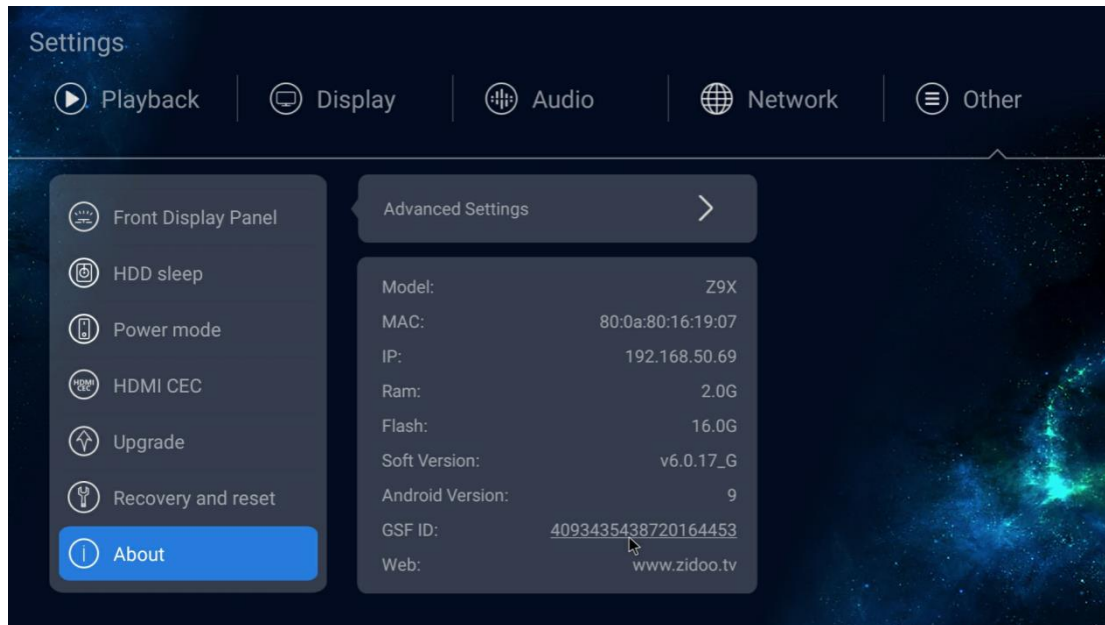

Please kindly following the guidance below to activate Google Play Store and access successfully.

1. Turn on Z9X device and make sure WiFi/Ethernet is connected. Network could be set by Quick Settings> Network>WiFi/Ethernet.

2. Find Quick Settings>Other>About>GSF ID. Take a note/picture to remember GSF ID numbers, it is needed to input these numbers later.

\*If no GSF ID showing up, please click Google Play Store icon by Home Page>APPS>Google Play Store, GSF ID will display after accessing Google Play Store.

3. Press MOUSE button on remote to enter MOUSE mode. GSF ID numbers could be clicked in MOUSE mode by pressing “OK” button.

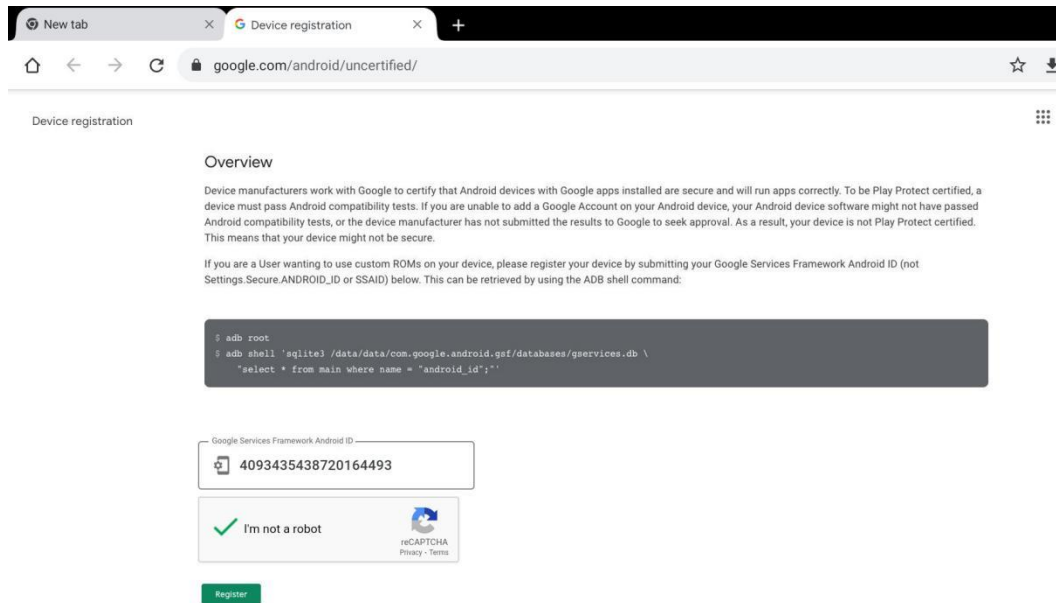

\*When you want to exit MOUSE mode, just click MOUSE button on remote again.

4. After clicking GSF ID numbers, you will see pages to login in Google Account and Password, then input the GSF ID numbers, click “Register” to finish Google Play Store activation.

\*Any Google Account that has never been activated for Z9X device could be used.

\*Step 3 or 4 above could also be finished on cell phone or computer through the website below:  
<https://www.google.com/android/uncertified/>

5. Access Google Play Store by Home Page>APPS>Google Play Store.

\*If showing errors, please restart Zidoo media player and check again.
